After just under an hour, the tour will end back at the bus and you will set of on your short bus ride to Šibenik, arriving to the ship just after 14:00. You will be able to check in on arrival on board and your cabins will be ready. The rest of the afternoon is free to get to know Šibenik at your own pace and in the evening, we will serve the Welcome Dinner aboard the ship and your cruise manager will introduce you to the entire crew.
Overnight in Šibenik.
Note: For those guests who will fly into Split airport on this day, your transfer will take you to join the walking tour in Split if arriving early enough (landing by 10:30) and any later arrivals will be transferred from Split airport straight to Šibenik to board the ship, unfortunately missing the walking tour of Split.

DAY 2: ŠIBENIK – HVAR (B, L)
Early in the morning, while breakfast is served, we set sail for the island of Hvar. Enjoy the beautiful scenery as we spend the morning sailing towards the town of Hvar, on the south side of the eponymous island, the longest island in Croatia, the sunniest in all Europe (2724 hours of sunshine per year) and undeniably among the most beautiful islands in the world. With arrival to the Paklinski islands just before lunch and lunch served on board, you will have a few hours after lunch to enjoy swimming before we head into Hvar port. On arrival join the guided walking tour of Hvar and learn why this amazing town is a must see on the historical map of Croatia. Your evening is free to explore this amazing holiday spot by yourself.
Note: port of call can be substituted for Stari Grad because of the limited capacity of Hvar harbour. In that case guests will be transferred to/from Hvar.
Overnight in Hvar.

DAY 3: HVAR - VIS (B, L)
Early in the morning, while breakfast is served, we set sail for the island of Vis. With lunch served on board, we will enjoy a swim stop at the Paklinski Islands. The island of Vis, formerly a major naval base, was closed to tourists from 1945 until the breakup of Yugoslavia in the 90's, which helped preserve the authentic appearance of its villages. We will arrive in Vis in the afternoon and you will be free to explore the quaint town and enjoy its many treasures. We suggest a visit to the Archaeological Museum, located in the old Austrian fort Gospina batarija (Batteria della Madona) right on the shoreline or just a simple stroll along the seaside promenade as most of the bars and restaurants are located along it so you are sure to find a lovely place to have dinner. You can always get some good tips for dinner or points of interest from your cruise manager.
Overnight in Vis.

DAY 4: VIS - KORČULA (B, L)
In the morning, before breakfast, we sail towards Biševo and the unique natural phenomenon that is the Blue Cave. After the visit to the Blue Cave*, we set sail for Korčula, stopping along the way for a swim and lunch served on board. In the afternoon we arrive to Korčula, the birthplace of the famous explorer Marco Polo. Our local guide will take you on a unique tour of the old town of Korčula. You

will hear many interesting stories and legends about the city and the life of Marco Polo, the most famous son of Korčula. The casual approach to discovering the history and culture of Korčula will surely delight you.
In the evening, we suggest you enjoy dinner in one of Korčula's many exquisite restaurants. If unsure, you can always get some good tips for dinner or points of interest from your cruise manager.
Overnight in Korčula.
*Please note that the Blue Cave is only accessible with small boats through an entrance just 1.5m high so it is unfortunately easily made inaccessible by bad weather and high waves.

Isolated and untouched, the island is know for its mysticism, olive groves, vineyards and rich forests. Take in the rich flora and fauna, and peacefully enjoy the pristine beauty of natural surroundings. Upon arrival in Pomena, a visit to a national park encompassing most of the island is planned. This evening you are invited to the Captain's Dinner aboard the ship.
Overnight in Pomena.

DAY 6: MLJET - SLANO (B, L, T)
Early in the morning, while breakfast is served, we set sail for Slano. On our way to Slano, we will stop for a swim in one of many picturesque bays dotting the coast. Upon arrival to Slano, we will embark on our gastronomic adventure in Ston, well known for its extensive medieval walls and long tradition of oyster farming, spanning over 2000 years. A short boat ride to the oyster farm in the middle of the bay and, with a glass of wine in hand, we'll be tasting this natural aphrodisiac straight from the sea. Talk about a gourmet's dream!
